

5 June 2019

Dear parents and carers,

We would like to thank you for your generous support of recent PTA events. This year we have held the junior disco in December, provided new board games for the classrooms at Christmas, sponsored Santa's visit, held an infant film night and provided Easter gifts and prizes for the craft competition. We have also subsidised the coaches for the end of year class trips and are looking to help find a solution to the road safety issue around school.

We are currently in the process of planning the summer fair to be held after school on Friday, the 28th of June and we wanted to take this opportunity to remind you about the match-funding scheme and how a little bit of your time could raise double the funds for the PTA.

If you work for an organisation that has a match-funding policy, your employer could match any money raised. Companies may match the fundraising total for an event or for an individual stall. Usually, the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised.

Many of the high street banks, building societies, supermarkets and large corporations have match-funding schemes, but they are not exclusive to large corporations. If you work for an independent company, they may be interested in charitable giving through match funding too.

We would be grateful if you could see if your employer has a match-funding scheme, or if they are willing to match-fund any of our events. If you can't help at this time, but you know the company you work for has a match-funding policy, please let us know. This could be a really large source of income for the PTA and help us raise money for the children of Northway.

If you are able to help us this way, please let us know and we can discuss your companies' requirements.

Thank you for your support.

The Northway PTA
